

ACCELERATOR & FUSION RESEARCH DIVISION

September 26, 2000

To whom it may concern:

We the undersigned are the Spokesperson and Project Manager for the Neutrino Factory and Muon Collider Collaboration, MC. We hereby certify that the Research and Development program proposed to the National Science Foundation for FY01, 02, 03 by the University Consortium, UC, led by Cornell University, is in accordance with the approved MC R&D plan and that the performers put forward are appropriate choices for carrying out the proposed R&D activities.

Andrew M. Sessler
Spokesperson
Lawrence Berkeley National Laboratory

Michael S. Zisman
Project Manager
Lawrence Berkeley National Laboratory
